Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

South Kilbourne Elementary is a neighborhood school centrally located amidst a hub of businesses, universities, shops, and restaurants. Our area attracts a shifting, diverse mix of young professionals with growing families, students, short-term residents, and subsidized/public housing participants. With six years of consistent Adequate Yearly Progress, we are also now a school of choice for students who would like to be a part of the Kangaroo family!

South Kilbourne’s top priority continues to be academic achievement. This year’s motto, “When You Believe.....” emphasizes our commitment to support the spirit of our community and provide a quality education for all students. We recognize the importance of an environment that promotes intellectual, emotional, personal, and social growth while preparing our students for success with limitless opportunities in our ever-changing world.

School-wide best practice academic strategies utilized include a literacy emphasis across the curriculum, curriculum assimilation, and recognition and awareness of diverse learning styles. Our Success Maker Lab furnished with 25 computers and a full-time lab manager, provides individualized tiered instruction in ELA and Math. School-wide English Language Arts strategies include small group instruction, leveled texts usage, accelerated reader, and two Reading Interventionists. Math academic strategies include the use of manipulatives, flexible grouping, and a Math Interventionist to enhance curriculum delivery. Science and Social Studies strategies include the use of inquiry, exploration, research and field studies. Our strengthened emphasis on the use of data has proven effective when providing customized services for our students. Title I tutors offer invaluable services as integral contributors to our Response to Intervention Plan. Additional support comes through collaboration with USC, Midlands Reading Consortium, Midlands Technical College, and community and faith organizations.

We are exceptionally proud of our newly established partnership with the National Coalition of 100 Black Women of Columbia, Inc. Our monthly Women and Children Empowerment Program equips women with strategies to be control of their minds, bodies, and finances. Children of all ages are involved in academically enriching activities as well. Books and Breakfast and Smart Matters are also examples of our monthly educational programs designed to involve and educate parents in the growth and development of their children. Our commitment continues to be increased stakeholder involvement and understanding to enhance our mission and maximize the total development of each child entrusted to South Kilbourne Elementary. We are proud of our progress and will continue to strive for excellence!

Linda C. Norton, Ed. D., Principal

Ms. Chandra Myers, School Improvement Council Chairperson
